BUILDING PERMIT APPLICATION

** No work shall be started until a permit has been obtained, and work shall not be concealed until it has been inspection.

** When ready for an inspection, call KABA, providing a 24 hour notice. KABA will need the job location and/or permit number

** A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within 180 days after issuance of the permit or if the authorized work is suspended or abandoned for a period of 180 days.

** \$50.00 of the permit fee is non-refundable for cancelled permits.

** "As Built" plans are required before a Certificate of Occupancy is issued for all commercial projects and any residential projects that have had changes made to the original drawings.

Section 23a of the State Construction Code Act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subject to civil fines.
