TOTAL FEE <b>**Must include the non-refundable application and final inspection fees**</b>				

## Supplement to Mechanical Permit Application

### MECHANICAL PERMIT APPLICATION

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below.

Plans are not required for the following:

1. One and two family dwellings when the total building heating/cooling system input rating is 375,000 BTU's or less
2. Alterations and repair work determined by the Mechanical Official to be of a minor nature
3. Business, mercantile, and storage buildings having HVAC equipment only, with one fire area and not more than 3,500 square feet.
4. Work completed by a governmental subdivision or state agency costing less than \$15,000.00

If work being performed as described above, check "No" in the "Plan Review" section.

What is the building size in square footage? \_\_\_\_\_

What is the input rating of the heating system in this building? \_\_\_\_\_

**Plans are required** for all other building types and shall be prepared by or under the direct supervisor of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

### Instructions for Completing Application

General: Mechanical work shall not be started until the application for permit has been filed with KABA. All installations shall be in conformance with the Michigan Mechanical Code. **No work shall be concealed until it has been inspected. When ready for an inspection, call KABA, providing as much advance notice as possible.** KABA will need to job location and/or permit number.

**Expiration of Permit:** Every permit issued shall become invalid unless the work authorized by such permit is commenced within 180 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days after the time the work is commenced. **A PERMIT WILL BE CLOSED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN 180 DAYS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CLOSED PERMITS CANNOT BE REFUNDED.**
